

Dear Parents,

We have had a great week, marking World Book Day with lots of events taking place across the week which also gave the children an opportunity to work with other year groups, different adults in the school and within house teams. Staff and children enjoyed our pyjama day and chocolate drink with a story was also a big hit. The children should have now come home with their world book day vouchers too.

We have continued to discuss forgiveness and in our collective worship we learnt the phrase 'turning a new leaf' and the children reflected on the question "Should we always forgive others?". I also shared a book called 'Spreading my wings' which celebrates individuality and being proud of who we are.

Next Friday on the 10th March, there will be a Coffee Church session taking place in the hall after school. All are welcome to join, and donations of cakes would be too.

Wishing you all a super weekend,

Nadia Gosling

School Lunches

Improving our Lunch Register Process.

We have realised that when lunch options are selected by the children at registration, some children are choosing a different meal to that selected by their parents on School Money.

To Guarantee the parental choice of meal, please can these be inputted on to School Money by Thursday each week for the following week. We will then be informing your class teachers what has been selected and they will then only need to ask those that have not had a lunch option added to the system.

Early Years

FSU have had a super busy week! We particularly enjoyed being visited by year 3/4 to share books together. Reception children have also made amazing progress in their independent writing. This week we have learnt the Nursery Rhyme -Hey Diddle Diddle and then wrote about it. (Get you FSU child to recite the rhyme to you with the signing too!)

Year 1 & 2

We have had a busy week in Year 1 and 2! We have had lots of different book themed activities: on Tuesday we were visited by Year 5 and 6 children who we read with and yesterday we enjoyed some yummy hot chocolate with our favourite stories. As well as this, we have been doing measuring in maths and have enjoyed finding out how to use rulers and metre sticks. This afternoon we have been designing our own puppets then we will be sewing over the next few weeks. Finally, we finished reading our class book Charlie and the Chocolate Factory which we have all loved reading!

Year 3 & 4

This week along with the rest of the school, year 3 and 4 have been taking part in a range of World Book day reading activities. On Tuesday the children paired up with the FSU to share and read stories.

Year 5 & 6

This week, Year 5/6 drew self portraits, inspired by the work of Frida Kahlo. They thought carefully about proportion and shading when drawing, which led to fantastic results!
