

Dear Parents,

This week we have focused our collective worship on showing forgiveness and how holding a grudge can affect a friendship. The children also reflected on how we can show forgiveness. We also had the Eco council present to the rest of the school sharing the exciting projects they have planned for the school over the next few months. More information will follow closer to each event.

You may have noticed the school facebook page is now up and running. We are hoping to add photos of the school in action. Please be aware that consent to photograph permission includes use of social medial sites, should you not want your child to appear on the school facebook page, please contact the school office.

There will be a school book sale in the hall at 3:15pm on Tuesday 21st March. We will be selling books we no longer need for a suggested donation of 20-50p per book.

As part of the FSU promotion of good oral health which includes encouraging tooth friendly snacks in between meals, we ask that children stop brining sweets into school to celebrate their birthdays. We would still love to mark the day by singing to them and celebrating their special day.

Today we marked Red Nose Day with staff and children putting in a great effort into their hairdo's today. Thank you for the contributions, we were able to raise £42.50 for this worthwhile cause.

Wishing you all a calm and sunnier weekend,

Nadia Gosling

Headteacher Award

George Francis – for showing great understanding and empathy towards his friends.

Celebrations this week

Class	Value	Reason
Early Years	Resilience	Minnie—For trying so hard with her reading and writing.
Year 1 & 2	Respect	Stella—For always working hard and respecting her learning.
Year 3 & 4	Kindness	Emily & Lily—For helping each other complete writing tasks.
Year 5 & 6	Kindness	Fletcher—For showing kindness to his classmates and looking after them when they are upset.

School Lunches

Update on Improving our Lunch Register Process.

Thank you to those that have selected meals for the coming week, please discuss the menu options with your child so that they know what choices have been made.

To Guarantee the parental choice of meal, please can these be inputted on-to School Money by Thursday each week for the following week. We will then be informing your class teachers what has been selected and they will then only need to ask those that have not had a lunch option added to the system.

After school Club every Wednesday for years 3-6 :

Mrs Marie Hamard has kindly offered to lead a Dungeons and Dragons Wednesday after school 3:15- 4:15 for a group of children in Year 3-6. If you would like to sign your child up for these sessions please contact the school office to ensure there is space available.

Class Attendance Winner

This week's best attended class is KS1 with:

98.35% attendance
Whole school attendance
95.99%

Also, Well done to everyone for getting into school at 08:45. It makes such a difference!

Nursery Spaces Available:

We have Nursery spaces available from September 2023 onwards.

Please contact the school office to place your child on our waiting list & to book a tour.

Our nursery is available from the age of 3

Breakfast Club & CAST

Drop & Play: Mon-Fri 8.30am-8.45am

Breakfast club: Mon-Fri 7.50am-8.45am

CAST times: Mon-Thurs 3.15pm-4.15pm or 3.15pm-5.30pm.

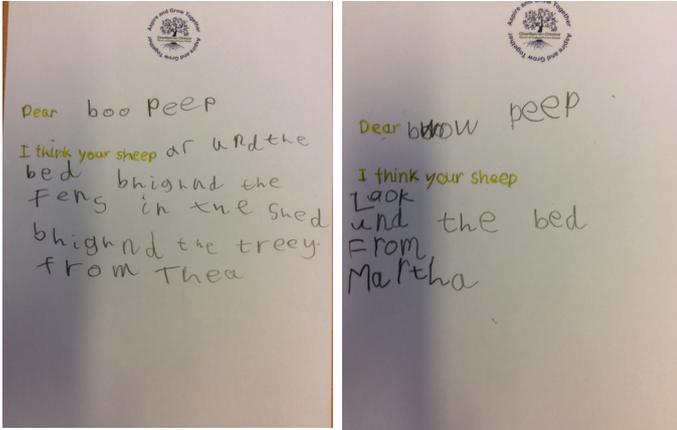

CAST mobile no: 07395182892

If you would like your child to attend Breakfast Club, Drop & Play or CAST, please book a place using the app. All clubs are open to Reception through to Year 6 children only.

If you could **please try to get your clubs booked by Sunday for the week ahead**, so that snacks can be arranged. As our numbers are increasing, we may not be able to accept last minute bookings due to the adult ratio's required.

Early Years

In FSU this week as part of our sheep theme, we wrote a letter to Little Bo Peep as she sent us a message asking for help to find her lost sheep. We were very excited to get a letter back saying she had found them in her garden!

Year 1 & 2

This week we have really enjoyed making our 3D habitats. The class worked brilliantly to make a variety of animals and plants that would all be found there. Some children made deserts, rainforests, oceans and even beaches. Well done Year 1 and 2!

Year 3 & 4

This week, Year 3 and 4 began reading their new book 'The Last Garden'. We started our work on this book by planting our own flower seeds to create our own 'garden' in the classroom.

Year 5 & 6

This week, in Science, children have been learning about how animals and plants live in extreme environments. We learnt how camels have long eyelashes to protect their eyes from sandstorms; how cacti have a far reaching shallow root system to collect water, and how penguins have black backs in order to absorb heat from the sun! Next week, they will be designing their own animal or plant with adaptations for extreme environments!

Safeguarding

Please contact Miss Giles, Mrs Clarke or Mrs Gosling should you have any safeguarding concerns.
