SOCK FEST 2020!

Cultural Activity 3

Your third challenge is to pick a song that reflects one or more of the School Games values, and let us know why you think that song represents those values?

It could be because of the title of the song i.e. **Respect** by Aretha Franklin, or it could be because of the lyrics i.e. Hall of Fame by The Script (**Self-Belief**) or it could be a song that you heard during a certain activity or sporting moment.

You can share your songs with us using [#OxonSchoolGames](#) & [#SockFest](#) on social media or email us at schoolgames@activeoxfordshire.org
