School Value: RESILIENCE

Dear Parents,

It has been a really exciting first half of the summer term. The May Day procession into the village was a huge success and provided the whole village with a great opportunity to celebrate one of the important traditions of the community.

On Tuesday 4th May we launched our new curriculum, "Learning Means the World". The children have been fully engrossed in their new topics and enjoyed taking on a learning pathway as either a Pathfinder, Explorer, Navigator or Adventurer.

Our value this half term has been resilience. Across the school, we have focused on developing children's stamina in writing with pupils taking care not only in the presentation of their work but also in the quality of content. It has been great to see the progress in children's work and I am constantly impressed with the quality of work which children are showing me.

From Monday 7th June we are going to revert back to school starting at 08:45 with collection at 15:15. To ensure the safety of pupils, staff and families, **I would encourage all adults to wear a face mask on the front playground and to stand two metres apart from other households, where possible.** Temperature checks will continue as normal and I will call in classes separately each morning. All other COVID safety precautions are to continue as is currently in place.

To ensure everyone's safety, where pupils test positive for COVID-19 during half-term, having developed symptoms more than 2 days since being in school or college, no action is needed. However, where pupils, test positive having developed symptoms within 2 days of being in school or college (Saturday 29th and Sunday 30th) we require you to inform us of this so we can assist in identifying close contacts and advising self-isolation, as the individual may have been infectious whilst in school. If you do test positive in this instance, please contact the school and let me know via email at head@charltonono.co.uk

I am excited to inform you that Miss Holmes will be our new Yr 3/4 class teacher in September. Miss Homes has been teaching in Yr 3/4 for the past two years at Cadmore End Church of England Primary School and will be a great addition to the teaching team.

Our new Yr 1/2 teacher, Miss Airey, who will also be joining the school in September is visiting us on Monday 7th June. During her visit she will spend the afternoon teaching next year's 1/2 class which promises to be a very exciting event.

Have a great half term and enjoy the sunshine.

Mr Griffin

FSU are hoping to supplement their outdoor learning area and are looking for donations of:

- Stacking crates e.g. milk crates or similar delivery containers that stack,
- Unused/clean decking planks,
- Different sized tyres e.g. bicycle, car, wheelbarrow, motorbike,
- Wooden empty cable reels,
- Large storage containers, preferably with lids (Suitable for outdoor and /or indoor storage of resources.)
- Wicker style baskets of all sizes (to present resources in for activities.)

If you have anything that you are willing to donate we would be delighted to hear from you!

Thank you

Mrs Wells, Mrs Clarke and Mrs Ling.
