# A Family Friendly Event to celebrate the launch of New Beginnings Learning Hub

**on Saturday, 4 April 10am-4pm  
at Bicester Library, Franklins House, Wesley Lane,  
BICESTER OX26 6JU**

*New Beginnings are excited to host Tandem Collective, the brains behind Tandem Festival, to run a series of skill-share style workshops that will give you a taster of the opportunities the learning hub can offer.*

- ❖ Expect to be tempted by tasty food made from food waste;
- ❖ Thrilled by using your creativity to 'upcycle' old clothes;
- ❖ 'Save the world with words!' A workshop with Rawz, an MC and Poet who has performed as a solo artist and with the Inner Peace Records collective. Fun wordplay and lyric writing for beginners and those with more experience.
- ❖ As the only dedicated arts venue in the Cherwell District area, the Mill Arts Centre, aim to inspire creativity by providing varied artistic, performance-based classes and workshops. They are keen to bring this creative learning programme to Bicester. Come along and talk to their friendly staff and let them know what activities you want.

## **EVERYONE WELCOME**

There will be something for all the family to get stuck into – drop in for an hour or two or join us for the whole day! New Beginnings Learning Hub team will be delighted to meet you.
