

Message from the PTA

On Wednesday the children will be receiving a small gift from the PTA to say thank you again for your continued support throughout 2024.

We've had some great events this year Christmas quiz, winter disco, duck race plus lots of others.

We enjoy organizing these events and we hope you, your children and families enjoy it too but it also helps towards trips, coaches, school equipment plus lots more.

Still space for more volunteers in many ways!

**We would like to wish you a
very Merry Christmas and
Happy New Year.**

See you in 2025!!!
