Early Years

The children have enjoyed playing with friends old and new, and are beginning to get into the school routine. They would really benefit from practice with their independence, changing their own shoes, and at least making an attempt at putting their coats and jumpers on, as well as recognising their name.

Year 1 & 2

What a super week we have had in our new class! The children have worked really hard to listen to all the new instructions, show excellent manners and try really hard. We have welcomed three new children to our class as well! We have started our geography topic comparing towns and villages. We have also been sketching some objects that are made of clay. The two popular areas of the classroom have been the creation area and the construction area- there have been some exciting creations already. Well done for a great first week everyone!

Note: reading books will start going home from next week.

Year 3 & 4

Year 3 and 4 have had a brilliant start to the first week back. In maths we have been playing different games, to help our brains remember all the things we learnt last year.

Year 5 & 6

Children in Year 5/6 have had an excellent first week of the new academic year. They have settled in wonderfully, getting to know each other, working together and trying hard in lessons. Well done, Year 5/6!

It is with great sadness that we share with you the news that Willie Haynes passed away this week. He has been a faithful supporter of the school and church for decades and was regularly in attendance at services when the children came to school. Our thoughts and prayers are with his family.
