

Dear Parents,

We've made it through another very hot week, and once again the children have been brilliant at managing the heat with plenty of water, shade, and calm resilience.

Thank you to everyone who completed the parent survey. We have also finished the pupils' surveys and have already begun reflecting on the successes of this year and the areas we can continue to improve for next year.

On Monday, the children enjoyed a great move up morning, spending time in their new classes with their new teachers—a really helpful way to prepare them for September. You should also have received the class letter with key information for next year.

End of year reports will be sent home today. If you would like to discuss anything in your child's report, teachers will be available for an open report meeting discussions between 3:15 and 4:15 in their classrooms.

Next week is shaping up to be a wonderful final week of term, with three performances, a special treat from the PTA, and lots of memorable activities for Year 6 - including our leavers' service to give them a heartfelt send off.

Finally, I am delighted to share that the school has been awarded the Silver School Games Mark Award, a fantastic recognition of all the brilliant work we do - both in school and beyond - to promote healthy, active lifestyles.

Wishing you all a lovely weekend.

Also, Well done to everyone for getting into school at 08:40. It makes such a difference!

Breakfast Club & CAST

Drop & Play: Mon-Fri 8.15am-8.40am
8:30am—8:40am
Breakfast club: Mon-Fri 7.50am-8.40am

CAST times: Mon-Thurs 3.15pm-4.15pm or
3.15pm-5.30pm.

If you would like your child to attend Breakfast Club or CAST, please book a place using the Arbor app. You do not need to book for Drop & Play.

All clubs are open to Reception through to Year 6 children only. If you could please try to get your clubs booked by **Midday Friday** for the week ahead, so that snacks can be arranged. As our numbers are increasing, we may not be able to accept last minute bookings due to the adult ratio's required. Bookings made after 12pm on Friday will incur a £2 late booking fee per session booked.

Please also be mindful of pick up times, if you are late picking up your child you will be charged for the later session.

ECO COUNCIL

The Eco Council have been voting for and selecting the new eco code for the school. It will displayed around the school to encourage people to keep making good choices about the environment.

PTA

The ice lolly sale last Friday raised £70—Thank you! We hope it helped to cool everyone down!

We will be serving refreshments at both performances of the school production. Cash and card accepted. We hope you enjoy the show!

FSU

It has been a very hot week but we've managed to keep cool with a trip to the park. Everyone enjoyed a delicious ice cream, followed by a refreshing hosepipe spray when we returned! This week, we explored the Bible story of Ruth and Naomi and talked about the importance of family. The children then created their own necklaces to give to someone who is important to them. We hope you loved receiving them!

Year 1 & 2

This week we finished planning and writing scripts for our big class debate in English: The Most Important Animal Of All! Each group gave very convincing, well researched and confident arguments for their own animal, and it was very difficult to choose a winner! It was a fabulous example of teamwork, as the children shared the workload evenly between them. They should be really proud of themselves. We also finished and evaluated our nature sculptures in Art, and avoided the heat in PE slots by doing some classroom Yoga and boisterous play rehearsals!

Year 3 & 4

In Year 3 and 4 we have had another busy and hot week! We have been practicing for our performances next week. On Tuesday we had a visitor from Bicester based- Christians In Sport, who came to talk to us about how some players have been showing their faith at the World Cup. On Wednesday we concluded our Geography rivers topic by walking to the nearby River Ray. In between we have been trying to understand the comparative value of different coins in maths by composing money spiders-making each leg the same value, using different coins for each.

Year 5 & 6

Yr5/6 have had the best time away on their residential trip to Youlbury—lots of memories have been made!

We are really looking forward to our production next week. We hope to see lots of you there.
