Dear Parents,

I wanted to share with you some exciting events which we have planned for after the half term break.

Sports Day will take place in the afternoon on **Friday 9th July** with the 16th being kept as a reserve date. We will send out further details to families closer to the time once exact details are confirmed and we know what restrictions, if any, we are required to have to keep everyone safe.

During the final week of term, we will be having a 'Global Awareness Week.' Each class will plan a range of activities to support pupils in their awareness of being Global Citizens with lots of exciting challenges taking place. All four classes will present a 'sharing assembly' during which parents will be able to see their children in action.

We will be sending out written school reports in the summer term, these will be sent to families on Monday 12th July so you can read about your children's progress and achievements across the year.

Finally, for those of you who have children in year five or six, I am excited to inform you that Miss Phillips and her class will be putting on a special end of year leaving performance of the Tempest which you will be able to come and watch. Miss Phillips will be sharing additional information with you about this.

Have a great weekend

Mr Griffin

HELP NEEDED PLEASE

Dear Parents, the FSU have sourced a Summer House (to replace the small existing one) that will be perfect for the children but we need help to get it to school. It is already dismantled (the biggest piece is 7ft by 7ft) so a van and 2 people might be needed. If you think you can help, please speak to Mrs Wells, Mrs Clarke or Mrs Ling or call the office. Thank you.

FSU are hoping to supplement their outdoor learning area and are looking for donations of:

- Stacking crates e.g. milk crates or similar delivery containers that stack,
- Unused/clean decking planks,
- Different sized tyres e.g. bicycle, car, wheelbarrow, motorbike,
- Wooden empty cable reels,
- Large storage containers, preferably with lids (Suitable for outdoor and /or indoor storage of resources.)
- Wicker style baskets of all sizes (to present resources in for activities.)

If you have anything that you are willing to donate we would be delighted to hear from you!

Thank you

Mrs Wells, Mrs Clarke and Mrs Ling.

**THE | OXFORD & CAMBRIDGE
SINGING SCHOOL**

The Oxford and Cambridge Singing School is for boys and girls aged 7 - 13 who love to sing. The Singing School was established in 2013 to provide children and young adults with the opportunity to sing great classical music with world class coaches in a relaxed and fun environment and to develop their confidence and ability in singing and performing.

"How lucky are these young singers. They are bravely taught and have a lot of fun, and you will be amazed at what they achieve in just a few days - and all in the most beautiful surroundings." - Bob Chilcott

Pupils will learn some beautiful seasonal music and at the same time gain a background in vocal technique, music theory, music appreciation and history.
