

Dear Parents and Carers,

I hope you had a lovely half-term break and are feeling ready for the festive season ahead.

Thank you to everyone who has already donated items for our OPAL programme. Next week, I will be speaking with the children about some of the new equipment, helping them consider both the benefits and risks, and discussing how to use everything safely. We would be very grateful for any further contributions.

Examples of items we are looking for include:

- Suitcases (any size or type)*
- Small tools (spades, shovels, trowels, buckets, rakes, brooms)*
- Tubes of different sizes and materials*
- Nets and thick ropes*
- Old keyboards, mobile/desk phones, cameras (even if no longer working)*
- Fabric (large sheets, colourful fabrics)*
- Guttering, Pool noodles*
- Dressing-up items (hats, scarves, elasticated skirts, costumes)*

If you have something not on the list but think it could be useful, please do get in touch.

As part of introducing the programme, we will be encouraging children to make full use of the field and playground in all weathers. To access the field when it is wet or muddy, children will need wellies or outdoor shoes to change into. These can be stored in the welly store so they are easily available when needed. Please ensure shoes are clearly named and sent into school in preparation for the wetter weather.

On Thursday, a group of our Year 3 & 4 girls took part in a football festival at The Cooper School. Mrs Wells was impressed with their skills, and it was wonderful to see their excitement when they returned—some even spoke about joining football teams. How fantastic!

Next week, we will hold our Remembrance Service at St Mary's Church. Parents are very welcome to join us. Children from our Ethos Team will also be visiting classrooms on Monday with Poppy Appeal items for anyone who would like to make a donation.

Wishing you all a lovely weekend.

Warm regards,

Nadia Gosling

FSU

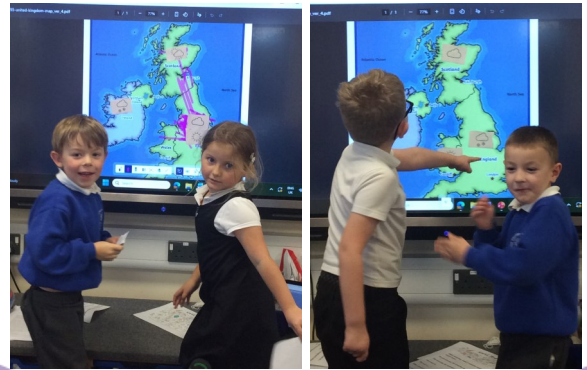

Our first week back has been brilliant. We have been looking at celebrations, memorised the month of our birthday, created some wonderful firework pictures and yummy cheese star biscuits.

I think they have come back from half term with a funny bug as we have all been laughing a lot and they have kept me very entertained!

Year 1 & 2

It's been a lovely start to the new half term in Year 1/2, and we have been making the most of the mild weather by getting outdoors as much as possible. This has been useful for our new Science topic, which is 'Weather and the Seasons', and back in the classroom we all became weather forecasters, presenting our forecasts to the rest of the class. We are also very excited about the Parkrun at Whitelands on Sunday 16th November, with many children from the class planning to participate.

Year 3 & 4

We have started the new term well with two new books: Michael Morpurgo's **The Butterfly Lion** in Guided Reading, and **The Princess Who Hid in a Tree** in English. The latter, links nicely with our new Anglo Saxon topic in History. It tells the story of a local girl called Frideswide who settled in Oxford. I am often amazed and delighted with how captivated the class is in a good book- no screens or electronic devices just listening, engaging ears and imagination! The picture below shows us singing our first Christmas song of the season in our new singing-focused music

Year 5 & 6

We created a model of the circulatory system by having people represent organs, the heart and lungs. The rest of the class represented blood cells that were either oxygenated or deoxygenated depending on whether they had come from the heart, or were returning there. We used red and blue card to represent this.
