

No one left out!

Do you believe that disabled children should have equal opportunities to learn to swim?

We think so! Which means accessing swimming lessons in the same locations, at the same times and for the same price as any other child.

To achieve this, we are supporting leisure centres across Oxfordshire to make fully inclusive swimming lessons a part of their timetables.

For further information please contact:

1

Commit to timetabling two fully Inclusive swimming lessons a week within regular swim lesson time slots, at the usual price per person, and with an appropriate swim instructor

2

With our support, understand demand in the local community and publicise sessions on your website, through social media, and in centre

3

Put on your classes, with additional support, training opportunities and access to funding.
