The Camp will be separated in to two groups. Group Two will be more relaxed with the main aim to have fun whilst be active, this will involve fun team building games, bouncy castles and the opportunity to learn new sports, coached in a fun safe environment by one of our experienced team. Children will be able to choose the group they would like spend their day in at the beginning of each day and will spend all breaks and lunchtime together.

Children will need to provide their own packed lunch and wear suitable clothing for sports activity. Snacks will be provided at break times.
