

Dear Parents,

As we come to the end of a busy term, we finish with our parent evenings. I hope these meetings have been helpful in giving you a clearer understanding of how your child has settled into their new year group. If you have any further questions, please don't hesitate to get in touch with me or your child's class teacher via the school office.

As we are finishing our focus on the school value – Love. We focused on another new word – Agape. This term describes the highest form of love, often understood by Christians as the love between God and humankind. We also discussed the difference between conditional and unconditional love and reflected on which we felt was more meaningful!

Looking ahead to next term, we're excited to begin introducing the OPAL (Outdoor Play and Learning) programme during break times. You will have received a letter outlining some of the items we are collecting to help us expand and develop our play resources. If you, or anyone you know, might be able to donate or source some of these materials, we would be very grateful for your support.

As part of the OPAL initiative, we are also delighted that our FSU class will be joining the rest of the school during lunch breaks. We have trialled this over the past few weeks, and the children have thoroughly enjoyed playing together.

After half term, our Thursday Forest School sessions will be changing. It will now be Years 5 & 6 and Years 1 & 2, with FSU continuing with their weekly sessions all year round. Please note that Forest School for FSU and Years 1 & 2 will start in the second week of term, as some staff will be completing First Aid training in the first week.

Wishing you all a restful and (hopefully) dry weekend,

Warm regards,

Nadia Gosling

We have lots of exciting events coming up next term. Please check your emails for more details!

Wishing you all a great half term!

FSU

We celebrated Diwali this week. The children all decorated a diya, they made lots of rangoli patterns and used paint to create a mehndi hand. We have had a fab last day to the term watching each other's talents. Thank you so much for working with the children at home on these. I can't believe I am so lucky to teach such a talented bunch of children. I hope you have a brilliant, spooky half term!

Year 1 & 2

Year 1 and 2 were a little disappointed that today's Cooper School Football Festival was cancelled, but we made up for it by spending the morning doing various Autumn activities, including: working as a team to create a big Autumn tree, using play dough to make things such as pine cones, leaves and hedgehogs, and hunting for interesting Autumn leaves in the playground to draw and write about back in the classroom. I hope you all have a wonderful and well-deserved half term break!

Year 3 & 4

This term in D&T, Year 3 & 4 have been working on planning, designing, creating and evaluating photo frames. They used their own ideas to create stable structures from pipe cleaners and then designed a frame to attach to it. They have worked so hard and were very proud of their finished products. Hopefully many are already displayed at home with a photo in!

Year 5 & 6

This week, we enjoyed finishing off lots of this term's topics. That included printing our William Morris style wallpaper using printing tiles and making periscopes to explore reflection in science. It has been such a fabulous term and I am so proud of all the children for their efforts!
