

Today was May Day. We started off the traditional day by getting into our wonderful clothes. My waistcoat was purple out of the four other colours which were green, yellow, blue and red. The girls wore a white ~~dress~~^{skirt} with a long sleeve top. On the long spotless skirt, there was a sash with yet again a red, green, blue, purple and yellow on it. Quickly the KS2 boys in year 3/4's classroom, got our white shoes and socks on. Because this is a special occasion I wore trousers although some people wore shorts.

After Reverend Lisa said a couple of words on the front playground we sang The May Garland. We stopped again to sing the same song while holding crosses and the may garland. At the The village Green, Tyler, Willow, the Nieve and Kit said a poem and prayers between them. Reverend Lisa said a couple more words before we sang May Garland, Mourning & Hous & Broken and The Happy Bird's Te Deum.

Back on the playground behind school all years did their brilliant dances.

Year FSU = Teddybear picknick.

Year 1/2 = May & King and Queen.

Year 3/4 5/6 = Duren whe wheel and Brighten camp.

Year 5/6 = May pole & Spider Web and The plout.

What a day!
