

A very warm welcome back to the 2026–2027 school year!

It was lovely to see everyone yesterday, arriving early, enthusiastic and raring to go! We have made a fantastic start to the new school year.

We have begun the year by thinking about all the possibilities that a new school year brings. A new adventure filled with challenges, opportunities and exciting experiences. We used the book *Why Not?* to encourage the children to start thinking about how they can approach new challenges with curiosity, confidence and a positive attitude.

Next week, we will be holding our Meet the Teacher sessions for parents and carers. These will take place in your child's classroom at 3pm on the following days:

Date	Year Groups
Monday 7th	Year 5 & 6
Tuesday 8th	FSU – Nursery & Reception
Wednesday 9th	Year 1 & 2
Friday 11th	Year 3 & 4

Our class newsletters are also being finalised and will be shared with you next week.

Ahead of receiving the class newsletters, here are the key PE and Forest School days for each year group:

- FSU: Thursday – Forest School | Friday – PE
- Year 1 & 2: Tuesday – PE | Thursday – Forest School
- Year 3 & 4: Monday & Thursday – PE
- Year 5 & 6: Tuesday & Thursday – PE

Please note that Forest School sessions may not begin until 17th September.

We have had a fantastic response to the Oxford Half Marathon event for children in Years 1–6. There are still spaces available, so if you would like your child to take part, please do get in touch with the school office.

The start of a new school year is also a good opportunity to check and update your information on Arbor. When you log into the app, you may have requests for permissions that need to be reviewed and updated. Please also take this opportunity to check and update your permission-to-collect list, ensuring that it is accurate and up to date.

If you have any queries ahead of the class meetings please call the office on 01865 331239, pop in any time 8:20-4:00 or email office@charltonono.co.uk.

Wishing you all a restful weekend,

Nadia Gosling
