School Value: *HONESTY*

Dear Parents,

It has been a very busy week of learning at Charlton with children in years one to six undertaking a range of assessments. The purpose of this week has been to provide an opportunity for children to showcase their knowledge and learning from the past year and to support teachers in planning for children's transition to their new class/year group.

During the Celebration Assembly, I praised the children for their hard work and total commitment throughout the past five days. I have had many conversations with the teachers who have been delighted with the attitude to learning and perseverance shown by all children. Children's progress and academic achievements will be shared with you on their end of year reports.

During the final whole week of term, each class will be presenting an assembly/showcase. Year 5 and 6 as you know are performing the Tempest to their parents and I am excited to share the news that the other three classes will be leading an assembly. More details will follow next week.

Despite the rain today, Mr Wells was able to lead the first sports day practice demonstrating the different skills with the KS1 and 3/4 class. The children will be practising hard over the next few weeks ready for Friday 9th July.

Have a great weekend.

Mr Griffin

Please can I urge everyone who has a debit on their children's account on Eduspot to pay their due before the end of the academic year.

As you know, I am leaving at the end of July and I need to leave a complete clean slate for my replacement.

Thank you for your understanding.

If you want to pay a few items in only one payment, give me a call and I can arrange this with you over the phone.

Pants Lesson

Today, Year 3/4 learned about the PANTS rule and thoroughly enjoyed the Pantosaurus song. Together, they created their own pants and shared some of the important rules about looking after themselves and keeping themselves safe. Here are our creations!

If you wish to listen to the song at home, here is the YouTube link to the NSPCC video:

This week in Art Club we made a tree! We used tissue paper to collage the trunk and oil pastel to make brightly coloured decorative leaves.

The PTA is also collecting books so please feel free to bring the books that your children no longer read.

Brigade School Wear

BRIGADE – SCHOOL UNIFORM

If you are unsure of sizing please ensure that you order by the 5th of July – this will enable time for exchanges.

IMPORTANT WASH CARE INSTRUCTIONS

Always refer to your garment care label to ensure that your uniform looks as good as new for as long as possible. We produce tough, hardwearing uniform, however it is important that you follow the care labels correctly to ensure you get the best out of your purchase.

- Turn garments inside out to wash and dry
- Fasten any buttons before washing
- Do not overload machine
- Iron inside out on a cool setting to avoid heat damage, which can cause a shiny surface on fabrics (do not iron knitwear or cuffs and welts on sweatshirts)
- Bobbling/Pilling is caused by friction and excessive heat. It is also known within the British textile industry that fabric softeners are a major cause of bobbling/pilling of the fabric. Bobbling/pilling often disappears over time and is not a reflection on the quality of the garment.
