

09-07-21

School Value: **HONESTY**

Dear Parents,

What a fantastic day! This afternoon, many of you joined us for sports day to watch the green, blue and red house battle it out for the most prestigious trophy of the school sporting calendar. This year, we introduced some new field events to challenge the children and it was lovely to see the children demonstrate their throwing prowess in the javelin and hammer throw. At the half way stage, the three houses were inseparable; however with the running events to come, the blue house took control and stormed to victory.

All the children performed to the best of their ability showing skill and determination in each event. However what stood out for me was their courage in the running events where every child finished all of the races; this was really amazing!

Earlier in the week, we were joined by Miss Airey and Miss Holmes for the transition day. All the children took part in a range of fun activities and it was lovely to hear from the children how excited they are to be in their new classes from September.

On Thursday, the year 3 and 4 class had a surprise visit from The Crocodiles of the World Foundation. They had the opportunity to see a range of reptiles as part of the Picture our Planet topic. The children will be telling parents all about this visit as part of their sharing assembly next week.

Please come along and watch your child next week in their class assembly. The children are looking forward to showcasing their learning with you. The performances are as follows;

FSU - Thursday 15th July at 13:15 - Looking after the environment

Year 1/2 - Wednesday 14th July at 14:45 - What would you like to be?

Year 5/6 - Wednesday 14th July at 18:00 "The Tempest"

Year 3/4 - Friday 16th July at 14:45 - Picture our Planet

Next week the Yr 5/6 pupils will be starting their RSE unit. Further to the email sent this week, we have added the lessons plan on the website, under CURRICULUM/Navigators RSE, should parents want more information.

Finally, tomorrow we have the much anticipated village **Street Market**. The PTA have been working extremely hard behind the scenes to organise this event and it would be great to see you there to show your support.

Have a great weekend.

.Mr Griffin

Secret mission completed! Year 3/4 had a surprise visit on Thursday from Crocodiles of the World. Colin shared three different species with the children, who were able to learn about creatures from across the world in line with their previous topic and sharing assembly focus 'Picture Our Planet'. All of the children bravely touched the bearded dragon, royal python and tomistoma crocodile! I captured lots of photos that will be shared on Google Classroom soon (so keep an eye out). Here are a few action shots from the lovely session. I am sure this will be a lasting memory for them all - an animal encounter AT school!

Miss Sandford

More pictures are on the website under News/Events, then Gallery.

The FSU children would like to say a HUGE THANK YOU to Mr Utting for making us our amazing car! We have already been on many an adventure on it!

FSU would also like to thank Mr North for donating lots of different sized tyres to enhance our outside play - they are very popular with the children!

ASSEMBLY

EXPLORER OF THE WEEK	Eliza for some super contributions to class, especially her work on owls this week.
PATHFINDER OF THE WEEK	Jaxon-Lee for being thoughtful and helping tidy up the entire classroom.
ADVENTURER OF THE WEEK	Aubrey for being incredibly responsible and focused this week.
NAVIGATOR OF THE WEEK	Jamie for a brilliant performance in rehearsals this week.

Be friendly, respectful and kind	Zachary	For being supportive of his team mates and encouraging others.
Be responsible	Willow & Mitzi	For being caring and responsible towards other children.
Be the best you can be	Logan	For some super writing in English this week.

Brigade School Wear

BRIGADE – SCHOOL UNIFORM

If you are unsure of sizing please ensure that you order by the 5th of July – this will enable time for exchanges.

IMPORTANT WASH CARE INSTRUCTIONS

Always refer to your garment care label to ensure that your uniform looks as good as new for as long as possible. We produce tough, hardwearing uniform, however it is important that you follow the care labels correctly to ensure you get the best out of your purchase.

- Turn garments inside out to wash and dry
- Fasten any buttons before washing
- Do not overload machine
- Iron inside out on a cool setting to avoid heat damage, which can cause a shiny surface on fabrics (do not iron knitwear or cuffs and welts on sweatshirts)
- Bobbling/Pilling is caused by friction and excessive heat. It is also known within the British textile industry that fabric softeners are a major cause of bobbling/pilling of the fabric. Bobbling/pilling often disappears over time and is not a reflection on the quality of the garment.

Washing symbols and their meaning

Always check the label!!

HOW TO MEASURE YOUR CHILD

Measure the actual body measurements as this is far more accurate than measuring over clothes.

CHEST: Measure around the chest at the fullest part, placing the tape close up under the arms.

COLLAR: Measure around the base of the neck where the collar sits, inserting two fingers between the neck and tape to allow growth

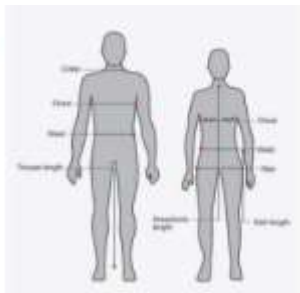

WAIST: Measure around the natural waistline

TROUSER LENGTH: Measure the inside leg from crotch to floor without shoes on.

HIPS: Measure around your hips, 20cm (8") below your natural waistline.

SKIRT LENGTH: Measure from the waist down to where you would want the hem

DRESS & PINAFORE LENGTH: Measure from nape of neck to length required.

HOW TO USE THIS SERVICE

INSTRUCTIONS

1. Log onto www.brigade.uk.com
2. Click on the parents click to order button
3. Enter your child's school name
4. Select the school from the drop down list provided.
5. Follow the online instructions to place your order

Free delivery on orders over £50.00 (parents clubbing orders together can take advantage of this)

£3.99 delivery fee applied for all orders under £50.00

Co-CAT

Child Anxiety Treatment in the context of COVID-19

Your school's Mental Health Support Team (MHST) are currently taking part in a national research study to test treatments for anxiety problems in children

The research study is comparing a new remote, online, therapist supported treatment to the MHST's usual treatment for child anxiety problems.

Children aged 5-12 years old who are experiencing difficulties with anxiety may be eligible to take part in this national study.

Each family will get £10 as a thank you for taking part.

Please contact your MHST to find out more information or to discuss if a child is suitable.

**General information can be found on the Co-CAT website, please visit:
<https://osiresearch.org.uk/co-cat/>**
